Ed tech Study Tour

We will be hosting a Edtech Study tour on the morning of 21st November especially for our parents. We are very keen for parents to come in and see how we use technology to support and enhance our pupils learning. We have been recognised nationally as an EdTech 50 school for the work we are doing but are not sure that you, our parents, know what this really means for your children. I do hope you will find the time to book on and come and see for yourselves. Those parents who came to our last study tour felt it was very beneficial.

PE and SPORT

Earrings need to be taken out for PE; covering them with tape or plasters is not permitted. Children are expected to wear full and correct PE kit (dark blue not black) for every lesson, so they can take part comfortably and confidently in all activities.

Team selection

When selecting teams for fixtures, staff consider a range of factors and final decisions are made at the discretion of the staff involved. As such, staff will not respond to emails/messages regarding team selection. We are fortunate to have many children who love sport and it is not possible to pick everyone. We are also fortunate to have many opportunities to represent the school over the year and support staff, who give a great deal of their time to securing these opportunities. All children are encouraged to continue attending clubs where working hard, teamwork and dedication are valued. Continued involvement provides further opportunities for development and may lead to success in the future.

Thank you for understanding and supporting both your child and our school teams. Together we can help all pupils grow in confidence, resilience and love of sport.
