Eco Councillors

Mrs Cemil and Mrs Aldridge have been so impressed with the quality of the applications to be part of the school's eco council. They have found it very hard to choose and well done to everyone who applied. It is fantastic that you took the time and effort to become a part of something you care about and will benefit others. Even if you weren't selected this time - I am sure there are many ways you can still help protect our planet. Here are our councillors:

Reception:

Esme, Heidi, Finley W, Finn D

Year One:

Children in Need – Run Pudsey

It's that time of year again when we start thinking about how we will fundraise for children in need. We have signed up once more to the 'RunPudsey' page. This year the 'Children in Need' theme is 'Challenge Yourself'.

<https://www.runpudsey.co.uk/.../lawford-church-of-england...>

Our school code is **1831**.

You simply create an account for your child and share their personal page, so that family and friends can sponsor them for their challenge. The children who raise money are sent a medal for their hard work, by children in need. The school will distribute them based on the information received from Children in Need. If your child is registered but not sponsored they do not get sent a medal.

The children will be challenged across the week to complete some distance running events (varying depending on their age).

Sport

This week sees the return of competitive sports at Lawford. The boys year 5/6 football team entered a local tournament of 8 schools. They played well but unfortunately did not qualify for the next round. Well done to all those who took part.

RHSE

Thank you to those who have responded to the RSE consultation form. I hope those of you who came to the parents sessions last week found them helpful. The consultation has now closed. The website (RSE curriculum sub page) has all of the consultation information and links to the CORAM SCARF FAQs.

Parents are welcome to ask staff for any of the content. You will be notified before children cover growing and changing (relationship and health units) and/or the non-statutory sex education (year 6 only). If you have questions please contact Mrs Cemil, who leads PSHE and RSE, via the school office.

DISABLED PARKING SPACES: RESERVED FOR THOSE WHO NEED THEM

Always Display Your Badge:
If you have a valid disabled badge, please ensure it's clearly visible when you park in the designated disabled spaces.

No Badge, No Parking:
Parking in a disabled space without a valid badge is inconsiderate, selfish and illegal.

Think before you park:
Is this space reserved for someone who needs it more?

Thank you for your cooperation. Let's keep disabled parking spaces available for those who truly need them.

Ed tech Study Tour

We will be hosting a Edtech Study tour on the morning of 21st November especially for our parents. We are very keen for parents to come in and see how we use technology to support and enhance our pupils learning. We have been recognised nationally as an EdTech 50 school for the work we are doing but are not sure that you, our parents, know what this really means for your children. I do hope you will find the time to book on and come and see for yourselves. Those parents who came to our last study tour felt it was very beneficial.
