Author Visit

We are very excited about the author visit that the PTA have funded on the 9th March. Authors Charlotte and Adam Guillain are coming into school and will spend time with every class. They will hold a book signing during the day - probably over lunchtime. If you have books by them already, please do bring them in. If you do not, and would like to order some - Manningtree Arts would love to help you. - please email her (zoe@manningtreearts.com) and she will order them to be here in time- of course other booksellers are available!

The classes will cover different aspects of their books - the following will link to the day - and the ones in bold will be a specific focus:

Bella Built a Robot

Tell Your Own Story

Tell Your Own Fairy Tale

The River That Flows Beside Me

The Forest That Grows Around Me

The Skies Above My Eyes

The Sea Below My Toes

The Street Beneath My Feet

What Did the Tree See?

What the Elephant Heard

What the Macaw Saw

The First Easter Egg Hunt

The year 1s will be looking at two brand new books - which are due for release in April but Charlotte is trying to see if Manningtree Arts could order advance copies from the publisher. These are 'Don't Call Me a Dino' and 'Don't Call Me an Insect'.

You can find more books by these authors here:

Snacks

A reminder that all children (unless they have permission from the headteacher) should only have **fresh fruit/ vegetables** as a snack—mirroring the provision the KS1 children get for free (families may provide their own in KS1) but it should still be fresh fruit /vegetables only. Please remember that if you are providing grapes or cherry tomatoes as a snack/in a lunch box, they should be cut in half, because their size makes them a choking hazard.

Drinks in packed lunches need not be water but must not be fizzy or in any kind of glass container. If your child forgets their drink we will provide them with a cup for water. There are also water fountains in both buildings and on the playground. Water bottles should only contain water. Any variation from this must be agreed with the headteacher.

We would also like to remind you all that we are a **nut – free** environment and so children should not have peanut butter, chocolate hazelnut spread or similar in their sandwiches, nor any other nut related snack.

Sport

This week our year 3/4 cross country teams competed in the local trials. It was wet, muddy and cold ...but this did not stop our superstar runners . Everyone ran to their very best and we couldn't be prouder. The children achieved some terrific results, notably Victoria being the first placed girl in the year 3 competition, she was, quickly followed by Nate finishing an excellent 5th place and Miles 8th in the year 3 boys event, Ana and Maddie D showed great energy finishing 1st and 8th respectively in the year 4 girls' race. Then in the final race Bastian was the first Lawford boy to the finish line coming 13th. Well done to everyone and a massive thank you to all our parent supporters. we are hopeful that at least one of the teams will have qualified for the Essex finals - along with Victoria (as an individual runner).

Golden Book

3D - Isla Field for her fundraising for charity as part of being an 'Agent of Change'.

Look what we have been doing this week...
