Poetry Recital

The poetry recital will take place on the **afternoon** of 2nd July at 14:00. This is a change from previous years but we had found that the evenings were somewhat of a challenge for our younger performers. If your child has been selected for the recital (you should have been notified by your child's class teacher) or is in the choir you are very welcome to come in and watch the performance. We once again have an external adjudicator. This year the judge will be Mr Aaron Pettengell - Wheatley Head of Oracy at Ipswich High School. If you are a parent your details will already have been put into our sign in system. However, if you have wider family wishing to attend please can you complete [this form](#) - so we can add them to the sign in.

Due to fire regulations, each performer may have a maximum of 3 guests.

We will also let siblings come and watch the performance.

Doors will open at 13:40. Thank you.

East of England EdTech Conference

Yesterday, Mrs Usher taught a live lesson with 12 of our year 6 pupils to showcase how the use of technology used effectively increases the pace of learning, deepens understanding and allows children increased independence in identifying the tools best suited to support their needs.

The children were terrific ambassadors for the school and spent lunch time showcasing how to use an augmented Reality app called Sandbox.

Parking

We have had some complaints about the parking around the estate. Please do not park on the double red lines - this area may not even be used to drop off (unless it is for a Blue Badge holder). It is never going to be possible for everyone to find a parking place near to school so please leave enough time to be able to walk from further afield and still be in good time for collection and drop off.

Please do not park on the pavements - many of them in the estate are in fact also cycle paths. Parking on the pavement also is a hazard to pedestrians especially those with pushchairs or in wheelchairs//with walking frames.

Sports' Day

Thank you to everyone who came to support their children today at sports' day. Everyone had a great time and so many children overcame challenges. For some being brave enough to perform in front of others, for others it might be learning to lose well - always very difficult.

The final results were: first Yellow, second Green, third Blue and in fourth Red.

Sport

A huge well done to our year 2 cricket team, which like the year 6 team, has also won the local competition and is headed to the Essex Finals. They won all of their matches. The 5/6 girls' team won their friendly against Dedham - 2-1. Well played everyone.
