Reserve Sports' Day

The reserve sports day is the 27th June - the same day as the non uniform day . Unfortunately there are no other free dates this term. The children can come to school wearing appropriate sports clothing of their choosing - the important part is that they are wearing trainers. The PTA will collect their raffle donations at the gate as usual.

The intention is that the Reception and KS1 sports' day will start at 0915 and finish by 1100hrs.. The will go in and the gates will be opened for those parents who need to leave/ arrive. KS2 will come out to complete their races from about 1115hrs. They will end by 1230hrs at the latest. All parents should then leave the site. We will announce the team winners in assembly that afternoon. School lunchtime will run as normal.

A reminder children should not come to school wearing any jewellery (earrings must be removed).

A reminder that we are smoke free (including vapes) and a dog free site - except for guide dogs/guide dogs under training.

Lunch Menu: Week 3

Don't forget to book in advance (before 23:59 on the day before), using the MCAS app.

If your child is absent, please cancel by 23:59 the day before. However, if illness occurs overnight, please add a comment to your report in Studybugs so the office can cancel it for you.

Uniform

A few reminders. Our uniform policy can be found [here](#). The school does not allow smart watches. Children's mobile phones must be handed into the school office at the start of the day and must not be used anywhere on the school site.

Hair should be held back off the face for lessons and up for PE. No jewellery of any kind may be worn for PE. Children should not wear nail varnish and hair bands, grips etc should be small and neutral or navy in colour. Please no enormous bows or sparkly hairbands. They are lovely but not only are they not uniform, children get very upset when the break or become lost.

EdTech Tour for Parents

Next Friday morning we have two tours for parents to come and see the use of edtech in our school. We are a lead school for Edtech in the east and we would love to share this with you. You will have a chance to speak to some of the children, as well as see the technology 'in action'.

There are still some places available on each tour
