

Dear Lawford Primary School,

I am writing this letter to you to officially confirm your achievement of reaching our bronze award level!

I am delighted that you have achieved our BRONZE award! We were particularly impressed with the way you clearly understand your SEND cohort & how you are ensuring SEND aware language is used across the school. The next step is to arrange a suitable time for us to come and present your certificate.

As you have now completed your bronze award you have automatically qualified for consideration towards our silver award! In the same email that this letter has been attached we have re-included the overview of the awards system which tells you what we would be looking for as part of the silver award process. The process would include a virtual interview as outlined in the overview and we look forward to organising a date for this.

In the meantime, we have made the suggestions below of areas that may support you towards gaining the silver award:

- Continue to think about how one plans and EHCP's help support a young person's journey throughout their school life.
- How you can evidence the impact of quality first teaching/adaptive practice across the school.
- Think about how young people with SEND can be further engaged in advocating at school and celebrating their needs.

For questions on any of the above please don't hesitate to get in touch.

Yours sincerely,

**Kierran Pearce, Multi Schools Council Lead**
